

ISLE D'PALM

A feature chair with a lot of character. The sides and back of this chair are surrounded with a distinctive shell of polished Palmwood slats. These are inspired by the vertical ribbed structure of traditional Polynesian huts.

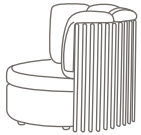

Isle D'Palm is upholstered in soft, comforting leather. The steel-framed armchair has a swivel base, allowing full freedom of movement.

Put your feet up and take advantage of the optional Isle D'Palm Ottoman for full relaxation.

Shown in HQ Superwhite.
