

## TAVARUA

---

A striking design piece with maximum comfort. The wooden spines of the Tavarua are inspired by the vertical ribbed structure of traditional Polynesian huts. The chair has a distinctive cone shape, ringed by polished Palmwood. Upholstered in sensual and durable leather.

Tavarua has exceptional ergonomic credentials. It hugs the body with cushions that support the head, neck, lumbar and arms. The base swivels 360° allowing full freedom of movement.

Take advantage of the optional Tavarua Ottoman for complete relaxation.
