

CAYENNE

The Cayenne is an elegant sofa with an exotic infusion. The panel features are influenced by the construction of Polynesian canoes where wood panels were lashed together with coconut fibre ropes.

The frame is polished Palmwood with steel fittings. The shape of the legs accentuates the natural outer curve of the coconut palm trunk.

Cayenne has a distinctive 2-tone upholstery pattern that combines sensual suede and oil-impregnated A-grade leather, while the soft overthrow is Australian merino wool.

Shown in HQ Royal Black leather and black suede.
